Repeat LAST TWO PARAGRAPHS

On the third of Tammuz in year 5754 - 1994 (This year July 6, 2019), the Rebbe ascended on his last mission to complete his lifetime goal - the redemption.

The Rebbe's Day, Tammuz 3 - Is a day that encourages us to bond with the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, followed by a Mitzvah, an act of Goodness and Kindness.

Even with the lack of his physical presence since 1994, the Rebbe continues to have an immeasurable impact on Jews and Judaism. Under his leadership and guidance, thousands of young couples continue to dedicate and devote their lives, through the global networks of Chabad-Lubavitch institutions, to spread Yidishkeit, goodness and kindness throughout the world.

The Rebbe's vision and promise of an imminent redemption, and a world filled with G-dlines, peace and harmony continues to inspire millions throughout the world. Soon it will surely become a reality. The Rebbe's blessings and guidance continue to help and inspire many people in their physical and spiritual needs. We personally will be pleased to assist you with your request for a blessing or guidance. Please contact us.

BREAKING NEWS

Wow Gan Izzy! What a smashing week we had! We started off the first day of camp with an amazing puzzle hunt, where we found out our bunk names! We went swimming, and had such a blast splashing around in the pool, and zooming down the water slide with such fun pool toys. We also enjoyed decorating black and white cookies for the first day of creation when G-D created light and dark. Tuesday was just as exciting, we climbed and ran and jumped at Hide 'n Seek and InjaNation! It was such a blast jumping on all those trampolines, and beating our records at rock climbing.

Wednesday we got to learn Tai-chi, and headed to the pool for even more water fun! On Thursday we hopped on busses and over to Spaceport where we learned fascinating things about all about rockets, stars and the constellations. Friday we once again splashed around in the pool. We got to learn more Tai-chi and learned what happens when we combine corn starch with water. Hint: slime ;) It is both a liquid and a solid! We also had our very first Shabbos party! It was so exciting! We heard an amazing story, sang songs and had a beautiful mock Shabbat meal.
